ABOUT

The **PARTED** Collection is a series of 6 images that explore the story of a relationship - of all relationships. The images are of the same broken, wooden clothes peg.

A clothes peg is the most mundane of domestic objects. But it's also among the most useful and helps to create a beautiful sight - artists have captured lines of laundry ever since people washed and dried clothes. So a clothes peg - made up of two distinct halves - contains both the mundane and the sublime. It is also a beautiful object in its own right.

As a way of representing some aspects of a relationship, it is a fascinating thing.

The images will only be available via 1, very limited edition of giclee prints on fine art, bamboo paper. Please see last page for information on pricing, mounting and how to purchase.
